

## Bricks4Kidz LEGO® After School Program for K-5<sup>th</sup> grade

Second Session is now open for registration.

All new models, lessons, games and an introduction to WeDo Robotics!

We are very excited to announce that our second session of Bricks4Kidz LEGO® After School Program is now open for registration Tritt Elementary. Join us for a completely new session of Bricks 4 Kidz. Kidz who enjoy creating with Lego® Bricks will love this challenging and exciting after school enrichment program. Your child will have the opportunity to make their LEGO® Bricks creations come to life using motors and gears! Every week the students will design a new model. We cover a variety of themes including famous building, gizmos and gadgets, space, laws of motion, natural disasters and much, much more. While exploring engineering, architecture and physics, students will develop problem solving and critical thinking skills. Classes are limited, so sign up today!
