

# KID CHESS AT TRITT ELEMENTARY

## WHY JOIN THE TRITT CHESS CLUB?

### PLAYING CHESS PREPARES KIDS FOR SCHOOL & LIFE!

Numerous studies show that playing chess raises children's standardized test scores in school. How? By improving a child's skills in critical thinking, decision making, concentration, memory and planning. Playing chess also increases self-control in children. All of these skills better prepare a child for school, life, and his or her future career. Simply put, **Kid Chess is a great investment in your child's future.**

### KIDS LOVE KID CHESS!

**Kid Chess is the most popular elementary after-school program in Metro Atlanta.** Our kid-friendly and skilled coaches provide engaging and fun lessons in Chess, Blitz (timed) Chess, and Bughouse (team) Chess. And our professionally-produced cartoons contain entertaining additional instruction. We also offer puzzles, tutorials, quizzes, and lots of fun games on our website at [www.kidchess.com](http://www.kidchess.com). We make learning chess so much fun that the majority of our students choose to stay with us for years.

### KID CHESS IS FOR ALL SKILL LEVELS!

**We welcome all kids, from beginners to advanced players, to participate in our classes.** We maintain a low coach-to-student ratio, which enables us to provide level-appropriate lessons to all of our students. And, at the end of every semester, each child receives a trophy based upon his or her greatest accomplishment and skills in chess.
