

Tritt's Foundation After School Time (FAST)

January-May 2012

The Tritt Tiger Foundation is proud to sponsor the following after-school enrichment classes this semester. A portion of all class fees go to the TRITT TIGER FOUNDATION to fund the Science Lab and instructor, the Computer Lab and instructor, school upgrades, and more.

Registration forms and brochures are available on the TTF website at

www.TrittFoundation.com.

| Class/ Cost | Grade/Dates/Time | Day & Location |

| <p>Spanish After-School Enrichment Program: MKM Education ; The East Cobb foreign language after school program is thrilled to offer Spanish classes at Tritt E.S., again this spring ! Our Spanish classes are taught by experienced classroom Spanish teachers. The teachers have created a fun and productive learning environment where the children have the opportunity to establish basic language and beginning conversation skills. The teachers use a vocabulary based curriculum which incorporates games, role play, music, art and various other activities to help build and maintain your child's enthusiasm for learning a new language. Each session the children are introduced to new content and curriculum. The program is available to students in kindergarten to fifth grade and we offer beginner, intermediate and advanced level classes. Your child will be placed in one of these classes according to grade, experience, ability and sufficient enrollment for that class. We work very hard to place each child in the most appropriate class. For additional information and program details, please contact Marilyn Milley at 678-560-2484 mmilley@bellsouth.net or www.foreignlanguageasp.com 12 weeks \$150</p> | <p>K-5th Wednesdays, Jan.25th-Apr.25th Fridays, Jan.27th-Apr.27th 2:30-3:30</p> | <p>Wednesday Or Friday</p> |
| <p>Club Scientific – This unique Science Club program is designed to engage students in observation, measurement, identification of properties, and experimentations involving life, earth, and physical science concepts.
