

Spanish Now ASP

Fun Spanish Classes!

SPANISH STUDENT TODAY.
GLOBAL CITIZEN TOMORROW.

We are a well-established, Cobb County foreign language enrichment program. Our goal is to help children gain an enthusiasm and appreciation for learning Spanish as a second language. We teach useful vocabulary words in different units to prepare them for Spanish in middle school. Classes are taught by creative and enthusiastic Spanish teachers.

During the Fall session, we offer classes for grades 1st – 5th. Children previously enrolled in the program will be introduced to new content and challenged with new curriculum.
