

Green Paws Junior with Mr. Giunta (K - 1st)

This 12-course club will provide students with the opportunity to explore student-driven STEM topics and to help keep Tritt Elementary Green! This hands-on class will spend time outside gardening, hiking, examining stream ecology, and creating awareness for the school's environmental efforts! We'll also make crafts like bird nest boxes, and goo for those rainy day blues. Games will teach students about food chains and habitats. What kind of paw print will your student leave?

Classes will be every Friday afternoon from 2:30-3:30 between August 17th and November 16th, with no class on 9/28 or 10/19. Kindergarten - 1st Grades.

Class size is limited to the first 20 students to enroll. Cost is \$200 per student, which includes all materials.

Payment should be made by check to Blue Jay Education LLC.
