JR Programming

REGISTRATION DEADLINE 8/6/18

(K-2nd grade)

Tuesdays 2:30-3:30

Classroom: TBD

Cost: \$225 for 12 weeks

Dates: 8/14 - 11/27

**(No classes 9/25, 10/16, 11/6 &
11/20)**

Introduce your child to technology and simple programming with this exciting tablet-based course. Students will create interactive images, computer games, and story animations.

While they are busy creating and having fun, students will be learning basic programming skills and will take away critical thinking and problem-solving skills that will benefit them long after the course is over.
