

Green Paws with Mr. Giunta (2nd - 3rd Grade)

This 12-week course will provide students with the opportunity to explore student-driven STEM topics and to help keep Tritt Elementary Green! This hands-on class will spend time outside gardening, hiking, examining stream ecology, and creating awareness for the school's environmental efforts! We'll also make crafts like bird nest boxes, and goo for those rainy day blues. Games will teach students about food chains and habitats. What kind of paw print will your student leave?

**Classes will be every Thursday
afternoon from 2:30-3:30 between
August 16th and November 15th,
with no class on 9/27 or 10/18.**

Grades 2nd - 3rd

Class size is limited to the first 25 students to enroll. Cost is \$200 per Payment should be made by check to Blue Jay Education LLC.
